## Company Profile

### Higher Quality Better Life

Qingdao Smad Electric Appliances Co., Ltd. (SMAD) was established in 1999. After many years of hard work, we have become a normalized and professional enterprise. Now SMAD has a staff of 600 persons and an annual output of 350 million Yuan. One sole proprietorship factory and two joint venture factories which are equipped with top-level production equipment and testing facilities can provide support for us.

### Company Culture

At SMAD we work as a close-knit family, not only within ourselves but also with our clients. We believe that unity and teamwork make the path for our success. Our mutual trust fosters a culture that embraces curiosity and challenges, which allows us to exceed our clients expectations and succeed in every way.

### Our Vision

To be the top manufacturer and exporter of electric home appliances, offering high quality products developed by creative thinking to ensure customers' total satisfaction.

### Social Responsibility

Smad is a great place to work. We care about our people and think about our employees as partners to cultivate the full potential of them and encourage them to pursue work-life balance.

We believe in the coexistence of humans and nature to reach the productive harmony, capable of fulfilling social and economic requirements for present and future generations.

### Our Mission

We are customer-centric and create a future growth market. We encourage and demand in-depth development and responsible actions. We are always one step ahead of the competition.
