Company Profile

Higher Quality Better Life

Qingdao Smad Electric Appliances Co., Ltd. (SMAD) was established in 1999. After many years of hard work, we have become a normalized and professional enterprise. Now SMAD has a staff of 600 persons and an annual output of 350 million Yuan. One sole proprietorship factory and two joint venture factories which are equipped with top-level production equipment and testing facilities can provide support for us.

Company Culture

At SMAD we work as a close-knit family, not only within ourselves but also with our clients. We believe that unity and teamwork make the path for our success. Our mutual trust fosters a culture that embraces curiosity and challenges, which allows us to exceed our clients expectations and succeed in every way.

Our Vision

To be the top manufacturer and exporter of electric home appliances, offering high quality products developed by creative thinking to ensure customers' total satisfaction.

Social Responsibility

Smad is a great place to work. We care about our people and think about our employees as partners to cultivate the full potential of them and encourage them to pursue work-life balance. We believe in the coexistence of humans and nature to reach the productive harmony, capable of fulfilling social and economic requirements for present and future generations.

Our Mission

We are customer-centric and create a future growth market. We encourage and demand in-depth development and responsible actions. We are always one step ahead of the competition.
